

STATE OF SIEGE

When the Government rubber-stamped
the neighbourhood for demolition....
when no one who lived there
had any say in the matter..

A brilliant film by Dennis Grosvenor which exposes
the corruption of planning in Australia, the role of
the development 'industry' in this corruption, the
donations to political parties and the progressive
loss of the democratic rights of ordinary citizens to
be heard.

Wallis Theatres, Mount Barker

7.15 PM, Tuesday June 7

Tickets \$5

Only 150 seats so book early by ringing:
